

# NEW!

## LITE MOUNT from Daessy

Built to the same high standards as all other Daessy Mounting Systems, the NEW Lite Mount is specifically designed for lightweight devices (upto 2kg) such as iPads, Tablets or for Switches.

Available in 2 versions: Adjustable and Indexed

### LITEMOUNT/A

Lite Mount with Adjustable balljoints and Articulating Quick-release Base (small/mini face). Balljoints with easy handle adjustment, pinch clamp option also included in the kit.

Suitable for devices up to 1.5kg

Round clamp to fit 1" round frames (also  $\frac{7}{8}$ ",  $\frac{3}{4}$ ", 22mm & 20mm with sleeves)

Kit includes 3 tubes of different lengths, overall length 28". Other lengths available.

**INTRODUCTORY PRICE TO 31<sup>ST</sup> DECEMBER 2014: £295.00 excl. vat & delivery**

**LITEMOUNT/A/IPA** as above but with IPA adapter + compatible Daessy Frame Clamp instead of 1" round frame clamp – **add £20.00 excl vat.**

**AS A SWITCH MOUNT:** switch end-fitting instead of Quick-release Base (eg BuddyButton fitting, JellyBean fitting). At same price

### LITEMOUNT/I

Lite Mount with 2 indexed (hirth-coupling) adjustable joints and Articulating Quick-release Base (small/mini face). These joints are toothed for solid fixing but can easily be adjusted by allen-key to change positioning. Suitable for devices upto 2kg

Round clamp to fit 1" round frames (also  $\frac{7}{8}$ ",  $\frac{3}{4}$ ", 22mm & 20mm with sleeves)

Kit includes 3 tubes of different lengths, overall length 28". Other lengths available.

**INTRODUCTORY PRICE TO 31<sup>ST</sup> DECEMBER 2014: £295.00 excl. vat & delivery**

**LITEMOUNT/I/IPA** as above but with IPA adapter + compatible Daessy Frame Clamp instead of 1" round frame clamp – **add £20.00 excl vat.**

**AS A SWITCH MOUNT:** switch end-fitting instead of Quick-release Base (eg BuddyButton fitting, JellyBean fitting). At same price.

## Hirth-connector/joint

Adjust by allen key. Loosen the joint and adjust position then tighten. Do not have to take completely apart to adjust.

## OTHER TUBE LENGTHS:

Tubes are available in lengths of 2", 4", 6", 8", 10" and 12"

Tube diameter in kits shown: bottom tube  $\frac{3}{4}$ ", other tubes  $\frac{5}{8}$ "

For Switch Mounts: bottom tube  $\frac{5}{8}$ ", other tubes  $\frac{1}{2}$ "
